

## 2019 Dara's Fund Grant Application

The **Muskoka Community Foundation (MCF)**, in partnership with the True Sport Foundation (TSF), is inviting female amateur athletes who are residents of Muskoka and participating in any individual or team sport at a regional, provincial, national or international level to apply for funding from the **Dara's Fund**.

Olympic gold-medal Freestyle skier Dara Howell created the **Dara's Fund** at the Muskoka Community Foundation in April 2014 to build a legacy, as well as provide resources and opportunities for Muskoka's female athletes who excel in any sport and are demonstrating a commitment to take their sport to the next level to pursue their dreams.

Dara established the Fund as a way to give back to her community and thank them for supporting her and her family on her journey to the podium. In this spirit, preference will be given to applicants who exemplify the principles of fair play, inclusion, respect, participation, and community leadership while also demonstrating a commitment to the True Sport principles.

True Sport is a series of programs and initiatives designed to give people, communities and organizations the ability to leverage the many benefits of sport from a platform of shared values and principles. The seven True Sport Principles (Go For It, Play Fair, Respect Others, Keep It Fun, Stay Healthy, Include Everyone, Give Back) help us build the sport that we want and express an approach to sport that the vast majority of Canadians already believe and practice.
